

Community Kitchen Pittsburgh is a non-profit, social enterprise that offers no-cost training programs, transitional employment opportunities, apprenticeships, and job placement services for individuals with financial barriers, leading to wage progression and professional growth.

We're proud to be known for our elevated "Pittsburgh Soul Food" — comfort fare with a heartfelt reflection of our community. Every catering order gives our culinary students valuable hands-on experience working alongside professional chefs, preparing high-volume, event-ready meals. When you cater with us, "your dollars make change".
